

Texas Integrated Funding Initiative

TEXAS INTEGRATED FUNDING INITIATIVE (TIFI)

The Texas Integrated Funding Initiative (TIFI) was created through Senate Bill 1234, 76th Regular Legislative session, (1999) for the development of local community-based systems of care with a strong wraparound component in up to six communities.

.

Mission

The Texas Integrated Funding Initiative supports a flexible funding collaboration between agencies, families, and community groups in order to serve children and families with complex needs more efficiently and cost-effectively.

Focuses on families' unique strengths and culture to help children & families lead healthy lives in their communities.
